Dear Believer:

This month it is necessary that I ask you to pray for this ministry to be able to prosper in the things God has given us to do. We have been receiving direction from the Lord to move forward in things for which we have waited many years. However, for the last three months the enemy has fought us at every step (financial, transportation, health, time) as we have endeavored to accomplish this. Please, pray with us for every provision of the Lord that is necessary to continue to grow in our work.

Of special note this month there will be a Zig Ziggler motivational meeting February 13, 2006 at the Selena Auditorium. One of the segments will be a 20-minute clear Gospel presentation. Please be praying for the Word to fall on hearing ears and that God will grant understanding and repentance.

From various pastors and intercessors the following should be lifted to the Lord this month. **Please Pray:**

- 1. That the Body of Christ would move forward and quit looking back at past hindrances.**
- 2. That we would move quickly at God's direction and follow the Holy Spirit closely.**
- 3. That Jesus would move powerfully in our services. That we would see what is hindering the working of the Spirit of the Lord in us so that we can turn from it.**
- 4. That we would not try to control people's lives, but let God shepherd them by the Holy Spirit.**
- 5. That people would truly see themselves as Jesus sees them, complete in Him.**
- 6. That God would uncover all that is hidden in darkness in this city and bring it to the light.**

Eddie Smith of the US. Prayer Center will be holding a mini-conference on prayer February 12th at 7:00 PM at Solid Rock Worship Center on Ayers. Plans are under way for Eddie and his wife Alice to come to First Baptist Church in May for a full prayer conference for pastors and intercessors.

Don't forget Friday Night Corpus Christi on February 24, 2006 at First Baptist on Ocean Drive.

Sincerely,
William W. Lumry, II
