*...Serving the Body of Christ by Identifying, Teaching, Training,
Empowering, Mobilizing Intercessors ...*

March 29, 2006

Dear Believer:

Grace and peace to you in the name of Jesus Christ who is Lord of all creation. April should be a month of seeking the discernment of the Holy Spirit. We are hearing of many people manifesting anger and at the same time hearing from intercessors that their spiritual sense is of the prevalence of anger decreasing. It would seem that God might be bringing the anger to the surface. This makes it possible for people to recognize it and deal with the root causes. The result is the decrease of hidden anger, which leads to rage.

It has also come to our attention (and to others) that there is a high degree of people being hit with some kind of illness. In many cases it is some malady that is quite serious. I am convinced that this is again a two-fold attack. First, it is indeed an all out attack on God's people. However, I believe that even more than that, it is an attempt to distract us so we miss seeing the wonderful things that the Lord is doing in our city. It would be hard to list, but easy to miss the kingdom advances of which we are hearing.

Let us pray for God to grant knowledge and understanding, wisdom and discernment that we might be prepared to glorify God in every situation, without being distracted by the tricks of the enemy.

It is time to make plans for the National Day of Prayer, which will be May 4, 2006. The theme this year, **America, Honor God** is taken from 1 Samuel 2:30. If there is any way that we can help you prepare for an observance, please let us know.

Remember the Prayer Conference with Eddie & Alice Smith, which is coming May 12th & 13th at First Baptist Church. It is being organized by Scotty Evans with Friday Night Corpus Christi. Seven days advance registration is required for childcare. For more information contact Scotty at 4scotty@msn.com.

Also, remember to pray for the churches and the pastors of our city as you use the March Prayer Calendar.

Make a note of the new web site address. It is now www.spmius.org

Sincerely,
William W. Lumry, II
