*...Serving the Body of Christ by Identifying, Teaching, Training, Empowering, Mobilizing Intercessors ...*

April 23, 2008

Dear Believer:

The grace of God be yours as you grow in the knowledge of His dear Son, our Lord Jesus Christ.

Please forgive me if this letter sounds harsh, I am trying to keep it very short and to the point. The Lord has been speaking strongly lately about submissive attitudes. At the same time, there are many examples of people wrestling with anger and the reasoning the enemy uses to assure us that anger against authority is not only acceptable, but warranted and necessary. **Let us pray diligently that the Holy Spirit work in us the submissiveness of Christ.**

The Lord desires for the intercessors of this city to be connected with each other and also for pastors and intercessors to be working together to further the kingdom. However, there is example after example of people separating themselves rather than connecting with the rest of the Body. **Let us purpose to not resist the Holy Spirit's leading to be connected, as we pray for the Lord to breakthrough all the hindrances and bring us together as one.**

In the midst of all this there is a growing sense of despondency and a desire to simply quit because there is no use in continuing. What the Lord is saying (as relayed in a recent note from one of our intercessors in another city) is, **"Stand and again I say stand and do what I have told you."** I too am very tired. Tired of letting the enemy of our Lord have whatever he wants while we just back up and allow it. Let us take every opportunity to be connected.

There are four great opportunities for prayer coming up in the next few days. Let us purpose to get involved in one or more of them. And as we do let us pray that the Lord indeed strengthens us in the fruit of steadfastness. **Having done all, STAND. Eph. 6**

Sincerely,  
William W. Lumry, II

**P.S. We will be making a trip to El Paso in early May and going to four different countries in Africa in August. Please consider before the Lord how you might help us with a financial gift to accomplish all we have before us.**
